PATENT APPLICATION

Attorney Docket 2003-2034.ORI

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Re App : Diana Low et al.
Serial No. 10/783,731
Filed : February 20, 2004
For : APPARATUS AND METHOD FOR TEACHING AND
REINFORCING POSITIVE BEHAVIOR

DECLARATION OF Diana Low, being duly warned, hereby
declares as follows:

1. That I am a citizen of the United States and a Resident of Woodbury, Minnesota, residing at 3187 Meadow Brook Drive, Woodbury, Minnesota 55125;
2. That I am a co-inventor of the above-identified application;
3. That I have duly executed a Declaration under 37 CFR 1.68 that identifies myself as a co-inventor with Scott Krentz.
4. That, to my understanding, Scott Krentz is a citizen of the United States, and a resident of Stillwater, Minnesota, and residing at 118-1/2 North Main Street, Stillwater, Minnesota 55082;

5. That I am familiar with all of the facts surrounding the refusal by Scott Krenz to execute the Declaration under 37 CFR 1.68 to the invention disclosed and claimed in the above-identified patent application;

6. That the contribution of Scott Krenz was made through his employment at Excell Models and Prototyping, Inc., which was contracted by me to conduct certain design work relevant to the invention disclosed and claimed in this application;

7. That subsequent to the filing of this application and on or about August 6, 2004, an unsigned copy of the enclosed Declaration and Power of Attorney, together with an explanation of its significance, was hand delivered along with a copy of the specification, claims, and drawings of the application, to the last known address of Scott Krenz. When no response was received, a telephone call was made on or about September 27, 2004 to Scott Krenz's, wherein he expressly refused to execute the application papers, and specifically to execute the Declaration under 37 CFR 1.68. Subsequent attempts to arrange for Scott Krenz' execution of the Declaration have been unsuccessful. This refusal has been based upon the fact that Excell Models and Prototypes, Inc. has demanded significant sums of money in exchange for Mr. Krenz's

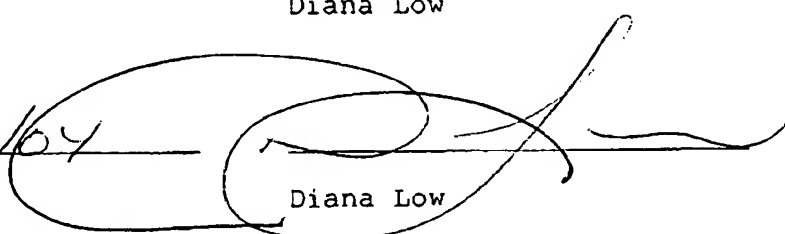

signature, which sums of money are above and beyond the contracted payment made to Excell Models and Prototypes, Inc. for the design work made part of this patent application. As a result of my efforts, it is my conclusion that it is most unlikely that Scott Krenz will cooperate in this matter;

8. That this Declaration is submitted in support of the petition under 37 CFR Section 1.47(a) for acceptance of the above-identified patent application in the United States Patent and Trademark Office.

Respectfully submitted,

Diana Low
